

“Beauty is . . .”

2009–2010 PTA Reflections Program | MUSICAL COMPOSITION

Students must adhere to the General Student Participation Rules as well as the following Musical Composition Rules.

Description

A musical composition entry may be for voice, instruments, or a combination of voice and instruments. Lyrics may or may not be included in vocal compositions. The composition is not to exceed five minutes. The entry must relate to the current Reflections Program theme.

The use of composition software is permitted. Students are strongly discouraged from submitting highly edited MIDI sequences or audio files. The recording submitted must capture performers in real-time. The entry may not include imported MIDI or other source files, or use algorithmic composition software.

Use of notation software for the purpose of creating scores and printed parts is permitted. Whether the score is handwritten or computer-generated, appropriate instrumentation and voicing are required for the performance.

Musical composition entrants are not to borrow from copyrighted material.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. A well-developed concept is more important than technique.

Musical Notation

Whether a student must submit musical notation is determined by his or her grade division:

- **Primary and Intermediate:** No notation is required. Iconic notation may be submitted. Iconic notation is “made-up” notation.
- **Middle/Junior and Senior:** Notation, either traditional, tablature, or electronic, is required. The notation should aid the listener and serve as a guide through the piece.

Adults may not assist. Physically challenged students may dictate to another person who may write the notation. The quality or accuracy of the notation and performance support the musical idea, but they are not considered judging criteria.
